

## MOUNT RILEY RIESLING 2007

### WINEMAKERS NOTES:

Our 2007 Riesling is made from a blend of grapes from the Wairau Valley region of Marlborough and Nelson. Conditions were unsettled during flowering in the 2007 growing year resulting in incomplete berry set. Warm weather was experienced post flowering and continued up until harvest. These conditions resulted in low yields but fruit with excellent flavour intensity. Grapes were harvested in pristine condition then crushed and destemmed. Fermentation was carried out at cool temperatures in stainless steel to achieve absolute purity of fruit.

### TASTING NOTES:

<i>Colour</i>	Light straw. Brilliant.
<i>Bouquet</i>	A delicately perfumed wine exhibiting stonefruit and citrus aromas together with subtle minerality and an enticing musky aroma.
<i>Palate</i>	Off dry in style with crisp acidity balancing a slight sweetness. A lush wine with a long finish.
<i>Drink</i>	Drinking well now, this wine will continue to improve and develop until 2012. Great as an aperitif or match with seafood, light meats & spicy foods.
